

YOUR MISSION IS OUR MISSION

CALL CENTER SERVICES

Our state-of-the-art call center combines professional customer service representatives with personalized live service from certified Alliance for Information and Referral Systems (AIRS) Aging and Disability certified staff.

FISCAL SERVICES

Our fiscal team provides full service fiscal management for organizations. Services include accounts receivable & payable, billing, and reporting.

GRANT WRITING

Our grant writers assist with grant research, proposal and letter of inquiry creation, proposal reviews, and reporting.

TRANSPORTATION

ANR Transport provides customized mobility management solutions throughout Pennsylvania. We have a modern fleet of vehicles in addition to versatile transportation reporting software.

AGENCY WITH CHOICE

For individuals with intellectual disabilities, ANR provides this service model to support them at home. Families select their support workers, and ANR handles employment and payroll administration in Butler, Armstrong, and Indiana Counties.

COMPLIANCE

ANR's compliance staff work to ensure programs adhere to regulations and meet benchmarks through on-going monitoring, audits, and reporting.

HUMAN RESOURCES & ASO

ANR provides HR consulting and contracted services and can act as an Administrative Service Organization to meet the administrative and staffing needs of governments and organizations.

INFORMATION TECHNOLOGY

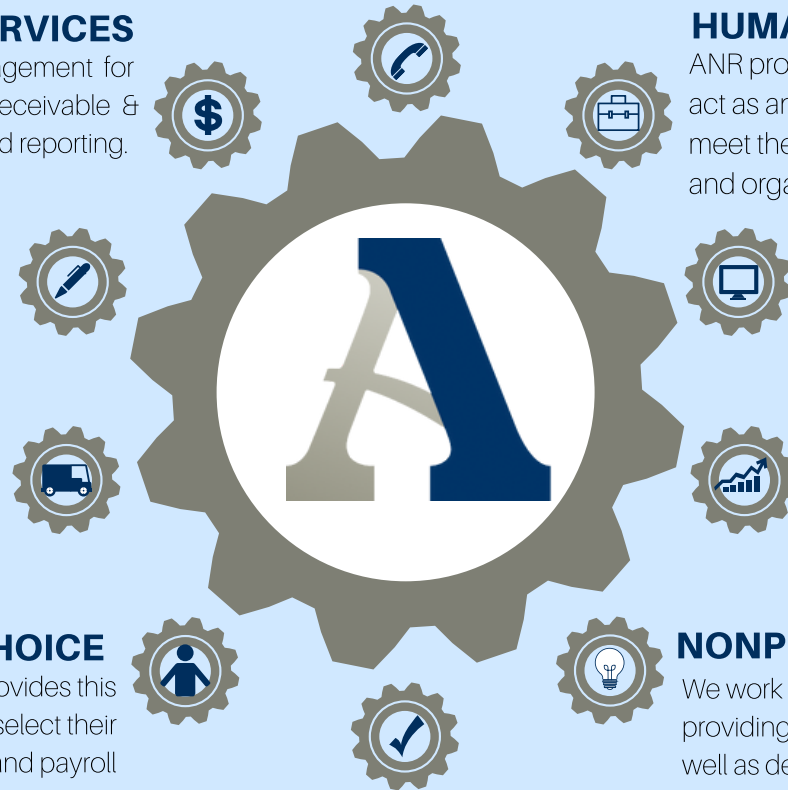

Our IT division, A-Tech, has skilled professionals supporting over 30 organizations with affordable and responsive IT management and support.

STRATEGIC PLANNING

Our strategic planning team works with nonprofits of all sizes to develop sound and manageable strategic plans and provide implementation support.

NONPROFIT SECTOR SUPPORT

We work to build and strengthen the nonprofit sector by providing nonprofit start-up and support services, as well as delivering Nonprofit Leadership Development workshops throughout the region.
